

Join the LogMeIn Referral Program

Referring customers to the LogMeIn team is a simple way to make money. Because our products are known industry leaders, it's easy for you to generate interest in them – and then we do all the work to close the transactions.

Referral Partner Benefits

Easy Setup

Generous Commissions

Recurring Revenue Stream

How does it work?

After you sign up, we will provide you with access to marketing materials and you will be assigned a dedicated account representative to help get you started. One of the unique benefits of our program is that you get to determine how and when we engage with the prospect – you can work independently with them or you can request that we follow up directly to find the solution that best meets their needs. Simply complete the referral form and let us know how we can best support you and your customers. Another benefit is that you don't even have to manage the sales cycle. Once a referral makes a purchase, we pay you a commission. It's that easy.

There's no cost for membership in the LogMeIn Referral Program, and we bear the cost of selling, closing and managing the customer relationship.

How much can I make?

Referral fees will vary depending on the deal size and partnership level. Sales team-assisted leads that convert to customers will pay out a percentage of the sale. In addition, qualified partners will earn renewal commissions on these sales.

Payouts by Tier (North America)

Partnership Tier	Referral Reward %	Qualifying Quota	Renewal Reward %	Qualifying Quota for Renewals
