Communications and Collaboration

GoToMeeting

Millions of businesses rely on GoToMeeting to collaborate and drive superior outcomes. No wonder we've made Gartner's Magic Quadrant 7 years in a row.

join me

Optimized for real-time, external collaboration, join.me is a simple online meeting app that helps boost productivity with dispersed teams, customers and vendors.

GoToTraining

Trainers rate GoToTraining the #1 brand in the industry thanks to our ease of use, hybrid capabilities and student engagement tools.

GoToWebinar

Rated #1 in customer satisfaction, GoToWebinar helps marketing professionals create captivating online events that build brand awareness and generate leads.

OpenVoice

Conference-calling technology that just works. Make announcements or hold discussions with up to 500 participants at a time through simple web controls.

Grasshopper

The entrepreneur's phone system, Grasshopper helps customers run their business from their cellphones. Professional features, affordable price.

Customer Engagement and Support

GoToAssist

Efficient, reliable and cost effective, GoToAssist lets you provide remote support and unattended access for both internal and external customers.

Rescue

Innovative technology that raises the bar on issue resolution. LogMeIn Rescue helps you solve every problem seamlessly and securely on PC, Mac, iOS and Android.

bold360

Our omni-channel engagement platform gives you a complete view of the customer journey, so you can have smarter and more relevant interactions – every time.

GoToAssist Seeit

When something goes wrong, take a look and take action with GoToAssist Seeit. Provide service and support for anything with live camera streaming on iOS and Android devices.

xively™

Connect, manage and engage your products in the IoT. Xively's award-winning platform is the easiest, fastest way to transform your business.

Rescue Lens

Remotely guide end users through troubleshooting, problem resolution, product setup and more with Rescue Lens through live interactive video.

Identity and Access

LastPass •••|

Whether you're organizing your digital life, managing a team or running a business, LastPass remembers your passwords so you don't have to.

Central

Manage all your computers from one location. Grouping, remote deployment and automated tasks help you provide proactive support.

Pro

LogMeIn Pro provides anywhere, anytime access to all your applications, files and data. Easily work on your desktop as if you were sitting in front of it.

GoToMyPC

GoToMyPC is the customer-friendly, low-cost, secure way to instantly access your office Mac or PC from any Internet connection.
